Respected Sir/Madam,

I hope this email finds you well.

My name is Aman Kumar Behera, and I am currently a first-year student pursuing B.Tech in Computer Science(AI & ML). I am writing this letter to express my interest in a summer internship opportunity at your esteemed organization.

I am eager to gain practical experience and enhance my technical skills in areas such as programming, data analysis, and problem-solving. I have been actively learning Python and Data Structures, and I am highly motivated to apply my knowledge in a real-world environment. I am particularly interested in contributing to projects that involve innovative technologies and learning from experienced professionals.

I would be grateful if you could consider my application for any suitable internship roles available for the upcoming summer. I have attached my resume for your review and would welcome the opportunity to discuss how I can contribute to your team.

Thank you for your time and consideration. I look forward to your response.

Yours sincerely,
Aman Kumar Behera (25BAI11344)
